Committee Meets on School Issue

The Citizens Committee, appointed by the School Board and headed by Clifford Hensel, took the first steps in its study of the Sierra Madre school curriculum at last week's meeting of the full committee.

Twenty-four members met to define the goals of the committee, to determine the kind of survey to be made, and to assign the schools to be visited in the survey.

In addition, an evaluation committee was selected to study the results of the survey, preparatory to making a report to the School Board.

Since the quality of education in Sierra Madre is of concern to all citizens of the community, the committee requested that all interested individuals participate, either as workers on the committee or by making known their opinions or suggestions that will be of assistance.

All communications should be directed to Mrs. Claude H. Brown Jr., 461 W. Grand View, Elgin 5-9693.

Your Chamber Needs Help

The Sierra Madre Chamber of Commerce has extended its membership drive for an obvious reason—so far only one new member has signed up.

This situation, it seems to me, is a rather sorry commentary either on the membership campaign itself, on the Chamber of Commerce or on the approximately two dozen businessmen who could join the Chamber but haven't.

There are several compelling reasons to join the Chamber.

The Chamber here, although its activities are limited by the size of its budget, performs many valuable services for all Sierra Madre businesses, not just for those who pay their dues. Unfortunately, the latter businesses support the Chamber almost entirely. The others, to use a term popular in labor unionism, are free riders.

The most direct way in which the Chamber helps the businessman is by devising and sponsoring promotions. This activity ostensibly stimulates business and puts more money in the pockets of businessmen. Although the inevitable grumbling arises before, during and after every promotion, most of them successfully perform their function.

The Chamber also promotes and advertises Sierra Madre in a manner designed to stimulate its economic growth.

It's the Chamber's job to direct sales literature where it will do the most good. Street maps are distributed, directories printed, inquiries answered. All this costs money.

City planning, street improvements, youth activities and holiday festivity plans are only a few of the programs your Chamber of Commerce participates in. The Chamber is constantly representing the city in capacities beyond the scope of city government and performing services which are not among the functions of other organizations.

Some of these things you see, but most of them go unnoticed. They are all necessary.

You, as a businessman, may not always agree with everything the Chamber does. You may not like its promotions. You may scoff at its legislative activities.

There may be dozens of things you don't like about the Chamber. But you can't cure them by sitting on the sidelines. Through your dues and your presence, you can help mold the Chamber of Commerce into the type of organization with which you agree.

In the words of an old cliché, "If you can't beat 'em, join 'em!"—H.W.E.

The Post Office Department has made studies indicating that to improve and maintain the postal plant with a program adequate to meet the expanding needs of our booming economy, the nation will need 3500 new postal buildings throughout the nation within the next five years.

Since 1953, some 5½ million square feet of modern postal space and nearly 1200 new buildings have been erected by private industry and private capital and leased to the Department under a modern tax-savings program. At present an average of two new buildings are being erected each working day.

Authorized by the 83rd Congress, the lease-purchase program is gaining momentum, with 27 approved projects costing \$14 million now under way.

Rapid strides have been made during 1956 in improving mail service for millions of Californians by eliminating delays and speeding up delivery of letters.

THIS IS PARTICULARLY important now as we approach the busiest season of the year for the Post Office and its employees, and authorities predict that Christmas mail this year will smash all existing records.

During recent years, delayed mail has been a major cause of public complaint in California. Letters between cities just a few miles apart sometimes took two, three and occasionally four days for delivery, failing to receive the next-day delivery that the public had a right to expect.

UNDER POSTMASTER General Arthur Summerfield the nation was decentralized into 15 regions for operational management, and one of the first activities in Southern California was a change in concept of mail transportation requirements.

Historically, mail transportation in metropolitan communities was based on the Pacific Electric Railway. But as interurban train service was eliminated, buses and contract trucks were substituted until the system became a hodgepodge opera-

tion all operating out of a central hub.

It was decided that satellite distribution and transfer points had to be established to permit the exchange of mail between neighboring post offices without going all the way into Los Angeles and back out again.

Regional Director Verne Scoggins has said that the first improvement resulting from the new concept involved the San Fernando Valley Post Office in April 1956, when North Hollywood and Van Nuys Post Offices became concentration centers for that area.

ANOTHER CORRECTION occurred when surveys by postal inspectors proved that 80 per cent of first class mail originating in Southern California stayed in the state, yet mail transportation schedules were still geared to transcontinental train arrivals and departures.

Post offices often had to make final dispatches before the big daily volume in the late afternoon and early evening, causing thousands of letters to miss connections to places only a few miles away.

In August 1956, Highway Post Office service for post offices between San Bernardino and Los Angeles was revised to operate on a new and later schedule. In October new Highway Post Office service started between Los Angeles and Fresno, again expediting the mails to provide consistent next-day delivery of letters between cities in Southern California and the San Joaquin Valley.

THE SOUTHERN CALIFORNIA group is continuing its studies and is planning more mail service improvements during the coming months. It is also looking ahead to the day when all out-of-state letter-mail will arrive and leave by plane.

While complaints are still heard, the improvements are progressing rapidly. When one considers the amount of manpower, the equipment and service involved in delivering a three-cent letter, our Post Office operation is most remarkable.

GREAT MOMENTS IN HISTORY

Lee Shippey asks
What Do You Think?

Pink Christmas trees? Ah, how more man can improve on nature! If the late Celest Burgess, who was famous for a quattrain about a purple cow, could have seen pink Christmas trees he might have written something like this:

I've seen a few pink elephants
And suffered through pink teas,
But I'd be startled from my pants
To see pink Christmas trees.

CAN YOU IMAGINE riding in a carriage drawn by 325 horses? Even persons who have seen 20-mile teams in action, as they once were in the Barstow area, can hardly imagine that. Harnessed together, that many horses would string out for about three blocks, and if they took a notion to run away, what could stop them?

Yet many times a day radio and television fans are asked to buy motor cars with 325 horsepower and some have even more power. Every day, too, we are reminded that power is dangerous in the hands of anyone who cannot wisely control it, and one can't help wondering if all that power is necessary.

Isn't the mere fact that so many of us yearn for far more power than is necessary an indication that we might misuse it if we got it? What a tragic number of drivers need less horsepower and more horse sense.

LEST WE FORGET, only four years ago a lot of Sierra

Madreans were echoing the cry, "Get the U.S. out of the U.N. and the U.N. out of the U.S." Last week those same persons were cheering the President for declaring the U.N. the hope of the world and throwing the whole weight of European and Near East troubles on that organization.

Even Col. Gildart, in his column last week, practically claimed the U.N. as a Republican achievement, deftly overlooking the fact that all arrangements for it were made by the Truman administration and Truman appointed the honestly bipartisan delegation which presented the American views, and the further fact that the whole idea was based on Woodrow Wilson's League of Nations plans.

As I was warmly for the idea in Wilson's time and have been ever since—even though I was hotly attacked for saying so in this column four years ago—I am happy to see so many other people finally coming around to my point of view.

THIS WAS WRITTEN last Friday, so I cannot comment on the election. But whenever was elected can count on me. I may question his wisdom at times but shall never question his integrity.

I will never curse, vilify nor slander "that man in the White House," no matter who the man is; I never have cursed or vilified any President. When a majority of the people elect a man I feel he is entitled to the respect of all of us.

44 YEARS AGO THIS WEEK, Nov. 8, 1912—Milton Steinberger has had on display at the Sierra Madre Garage this week one of the handsome little 1912 Studebaker touring cars.

The heaviest recorded rainfall for the past 25 years was in November 1900 when 11.32 inches fell. In 1891, 1894, 1904 and 1907 there was no rain in November.

Mrs. Elizabeth Borglum entertained a few friends with tea on Sunday afternoon in her studio. Among those present were Mesdames Mitchell, Moore, Roberts and Crawford of Sierra Madre.

20 YEARS AGO THIS WEEK, Nov. 8, 1936—Mr. and Mrs. Randall Perry of 506 W. Grandview Ave. are receiving congratulations on the arrival of a baby boy born two weeks ago at St. Luke Hospital.

Stanley Wood Jr., son of Mr. and Mrs. Stanley Wood of 221 W. Grandview Ave., is confined to his home with a broken leg, received while at football practice at Woodrow Wilson Junior High School.

Mrs. Franklin Swift, Miss Leah Fletcher and Mrs. R. H. McCullough attended a tea at the Green Hotel in Pasadena last Friday afternoon given by the Pasadena Chapter of the Daughters of the American Revolution.

10 YEARS AGO THIS WEEK, Nov. 7, 1946—A. H. Embree of the post office is carrying his left arm in a sling resulting from a fall on the trail Sunday when he badly sprained his wrist.

Letter to
Editor

Dear Sir:

"Freedom of the Press" has become such a controversial, and in some instances almost a "taboo" subject that I find your editorial of Oct. 25, 1956, a most remarkable outline of what I believe in.

Your editorial was forward, forthright and to the point. If I had the authority I'd submit this editorial for a prize for the Sierra Madre News and you. Why not? Smaller newspapers than ours have won these prizes on something or other through the years. Why hide the head (paper) under a bushel? Let the right hand know once in a while what the left hand is doing in our little village; an "unbiased newspaper is NOT an unlikely, idealistic dream." More power to you.

Most sincerely,

Alpha Gamma Deltas Plan 'Holiday Boutique' Nov. 17

Southern California Alpha Gamma Deltas have scheduled their third annual "Holiday Boutique" for Nov. 17 from 1 p.m. until 4 p.m. in the Ebelle Clubhouse, 743 Lucerne Blvd., Los Angeles.

Alumnae clubs taking part are Glendale, Los Angeles, Orange County, San Gabriel Valley, San Bernardino, South Bay, Pasadena, West Los Angeles, San Fernando, Whittier, Riverside and the local undergraduates and mothers' clubs from the University of California at Los Angeles and the University of Southern California.

Proceeds will go to the Society for Crippled Children and Adults. The national organization of Alpha Gamma Delta has adopted aid to cerebral palsied children as a project and has trained many counsellors to help in treatment and rehabilitation centers, including several in Southern California.

The "Harvest Feast" motif will be used in the tea table decorations and the individual clubs will have tables depicting Thanksgiving, and New Year's settings.

Unusual gifts and ideas for the coming holidays will be found in the booths surrounding the tea table. The varied articles on display will include hurricane lamps, ceramics, candles, toys, bathroom and boudoir accessories, aprons, children's petticoats, decorated shells, piggy banks, teddy bears and an assortment of holiday decorations for the home.

The San Gabriel Valley booth will feature Christmas corsages, cookbooks and jewelry with the theme of their table, "Christmas In The Country."

The Pasadena Club will fill their booth with accessories for the bathroom and boudoir.

Woman's Club Food Sale At Clubhouse

Members of the Sierra Madre Woman's Club will hold their regular monthly luncheon meeting next Wednesday in the clubhouse at 11 a.m.

Following the business meeting presided over by the president, Mrs. Neil Fallon, the program chairman, Mrs. Hollis Lindstrom, will introduce Barbara Stickney Smith, who will discuss "Tea Cup Land" in Britain.

Reservations for the luncheon must be called in to Mrs. Ruby Barham at ELgin 5-0208 no later than next Monday morning.

The club is sponsoring a cooked fruit and gift sale Nov. 16 from 9 a.m. until 5 p.m. in the clubhouse. Refreshments will be served all day with a luncheon scheduled for noon.

There will be booths with rummage and used articles on sale also. For pickups on donations call the general chairman, Mrs. Dewey McGearry, at ELgin 5-9500.

Pi Beta Phi Meets Tonight

Pi Beta Phi Junior Alumnae of Pasadena is meeting tonight at 8 o'clock in the Pasadena home of Mrs. Shelley B. Williams, 2049 Oakwood.

Aleene's of Temple City will present methods of home design for holiday floral decorations.

Following the program and a brief business meeting, dessert and coffee will be served by Mrs. Howard Hill and Mrs. Kirk Lamb, who will be assisted by Mrs. Williams' daughter, Mrs. Robert James Clifford.

All Pi Phi Juniors in the area are invited to attend this interesting get-together.

Anoakia Annual Dance Friday

The annual Anoakia Sophomore Dance will be held tomorrow evening in the Peacock Room at the school. The girls and their guests will dance to the music of Ricardo's Orchestra.

Arrangements for the dance are under the general chairmanship of Joanne Glass, sophomore class president, who is being assisted by Wendy DeGroot, Sherri Leff, Jan Monesmith, Laura Rowan and Barbara Wells.

Social and Club Activities

MIXING UP A BATCH of plum puddings are, from left, Mrs. Kenneth Rickard, Mrs. Lee Shippey and Mrs. Robert Thomas.

Local kitchens have been humming this week. The women and their helpers have been making plum puddings for pre-Thanksgiving and Christmas sale to benefit the Ascension Parish School.

The recipe, one of Mrs. Lee Shippey's favorites, was sent to her many years ago from England. It is filled with all the delicious ingredients that go toward making a flaming pudding that spells the holiday season.

If you wish to add a touch of "Old England" fare to your holiday table, call Mrs. Elmer Morton at ELgin 5-1530 with your order. The puddings sell for \$2 and are gift wrapped.

They will also be available for immediate purchase in front of P. B. Carrell's, Royal Drug and Roberts Market next Saturday from 10 a.m. until 4 p.m.

Among those ladies working at the various booths are Mrs. Natalie Mitchell, Mrs. Betty Reed, Mrs. Helene Reichard, Mrs. Estelle Seymour, Mrs. Shirley Evans, Mrs. Nathaniel Van De Berg, Mrs. Harold Young, Mrs. E. W. Burrows and Mrs. Florence Lyon.

Mothers Are Hostesses For St. Rita's Children

Room Mothers of St. Rita's School were hostesses at the annual Halloween costume party for the children of the school. Classes were dismissed for the afternoon and the youngsters returned to the school after lunch for the costume judging, refreshments and entertainment.

Mrs. Vincent O'Brien, Mrs. Earl Kaufman and Mrs. John Heck, judges, based their decisions on beauty, originality, authenticity and comedy.

Winners were Pamela Ter-math, Leslie Wynne, Ann Simmons, Michael Griffin, Randy Dean, Holly Nentzel, Suzanne Kay, Jack Loei, Patsy Nestor, Michael Cavanaugh, Maureen Simmons and Dick Loei.

Also, Larry Daniels, Chris Marquand, Michael Eagan, Mary Catherine Kay, Michael Mikity, Kevin Snow, David Roubideaux, Lucinda Taillac, Karen Fettes, Leslie Teeple, Tessie de la Torre and Kenneth Broomfield.

Also, Catherine Wynne, Earnest Trancell, Diane Plamondon, Kathy Snow, Margaret Sidenfaden, Barbara Wright, Marty Lu Visi and Anthony Larcombe.

Anthony de la Torre turned back the pages of time and appeared as Robinson Crusoe complete with a gaily colored parrot perched on his umbrella.

There was a flapper of the '20s as well as a man from outer space and a corn stalk and a pepper tree with a bird's nest in its bough.

Mrs. Fred Stockinger was general chairman.

Holiday Goodies At Music Studio

Lona Baron Music Studio, 183 N. Lima, will be featuring "Holiday Goodies" during the months of November and December for all pupils and guests coming to the studios during this time.

There will also be the much looked forward to "Music Parties," which have become an annual event.

Lyric Club Wants New Members

The Woman's Club of Los Angeles continues to hold auditions for new members. The club, now in its 53d season, gives two concerts each year under the direction of Frederick Davis, with Mrs. M. Hennion Robinson as accompanist.

Rehearsals are held each Wednesday from 10 a.m. to 12 o'clock at the Wilshire Fine Arts Studio, 3020 Wilshire Blvd.

Anyone with experience in choral groups can contact Ruth Hitt, AX. 1-4156, or Mrs. Clarence Creighton, ELgin 5-3660.

ALA Plans Meeting

Members of the American Legion Auxiliary will meet this evening at 8 in the home of Mrs. Elise Hadlock, 385 W. Orange Grove.

The group enjoyed a European travelogue at a recent meeting when the hostesses, Mrs. Lloyd Welch and Mrs. Ora Olsen, showed color slides of their trip through Spain, Portugal, France, Germany, Italy, Holland, Switzerland, Great Britain and Scandinavia.

Guests for the evening were charter members, Mrs. Mabel Medley of Glendale, Mrs. Edna Barkman and Mary Francis Fleming.

The members were advised Mrs. Augusta Coates had returned to her Santa Rosa, Calif., home following a four-month visit in Sierra Madre.

Reports were given by Thelma Proctor, president; Mrs. Lucille Pickett and Mrs. Kitty Miller, who had attended the past presidents' potluck dinner in Arcadia.

Garden Club Meets Nov. 12

The Sierra Madre Garden Club will meet next Monday evening at 6:30 in the Woman's Clubhouse for its regular monthly dinner meeting.

Gordon Baker Lloyd, assisted by his wife, "Sassie," will present an interesting display and talk entitled "Yesterday's Christmas for Today's Living."

Mr. Lloyd is an honorary member of the local garden club and is a statewide speaker on all the floral arts. He and his wife also appear on TV and radio.

Dinner reservations may be made by calling Mrs. Carl Gerke at ELgin 5-0174.

Francis Eakman Attends Funeral

FOR ONLY A PENNY
Take a close look at a penny in your change. This one penny stands for the profit out of your dollar that food chains on the average receive for doing business for you. Nearly 99 cents of your sales dollar goes to buy merchandise and to pay salaries, rent, utilities, equipment and taxes. The one penny left over builds new stores and overbuilds new stores and warehouses for their investments. How is this possible? Self-service, cash and carry, large volume, fast turnover... and constant vigilance over costs. By feeding millions for a penny, the food chain industry seeks to make its contribution to the strength of a greater America... and better living at lower cost for you and your family.

Christmas Plans Set By Chamber

Final decorating plans for the holiday season this year call for a pink and white Christmas tree lane, a Chamber of Commerce committee decided last week.

The Chamber will place alternate pink and white trees at evenly spaced intervals, if possible, along Sierra Madre Blvd. and Baldwin Ave. The trees will be in position by Nov. 30.

Santa Claus also will come to town the night of Nov. 30. He will be in Kersting Square at 7 p.m. along with a little German band.

Between Nov. 30 and Dec. 7—the night the Nativity Scene will be opened in Kersting Square—children may write Santa Claus by addressing their letters in care of the postmaster, Sierra Madre.

Santa Claus will pick up the letters the night of Dec. 7. The letters will then be distributed to local service clubs.

Sierra Madre merchants will stay open nights from Dec. 7 until Christmas.

In addition to the German Band, a group of Christmas carolers will serenade shoppers from time to time in the downtown area.

The Christmas trees—100 of them—will be approximately 8 feet tall each. They will be placed in painted barrels and will not be lighted.

The pepper tree in Kersting Square, though, will be festooned with colored lights to serve as a background for the Nativity Scene.

The Chamber also will award three prizes to the best decorated homes in Sierra Madre. First prize is \$25; second, \$15, and third will be \$10.

In addition, a prize will be awarded to the merchant in town who has the most attractive Christmas decorations in his window. The prize includes four dinner tickets to the Moulin Rouge in Hollywood.

Dave Roess is chairman of the Christmas Committee.

RECEIVING A LIGHT BULB from R. R. Buttane of the Sierra Madre Lions Club is Mayor Charles H. James as the Lions prepare to kick-off their annual Light Bulb Sale next Monday. Proceeds from the week-long sale will be used for youth activities and other community projects. Booths will be located at Don Jackson's, Dickson's Market, Roberts Market, Pantorium Drive-In Cleaners and the east entrance of the Shopping Bag.

Concert Association Brings Paris Ballet to Valley Area

The Paris Ballet of Lyette Darsenval, making its first American tour under the sponsorship of the French government, will be presented as the third attraction in the current Foothill Community Concert Association season next Tuesday evening in the Monrovia-Duarte High School Auditorium.

The company is headed by Lyette Darsenval, Premiere Danseuse-Etoile of the Paris Opera. The program will represent a full two centuries of dance, including entrees and divertissements, an act from "Sylvia," and, on the modern side, a highly successful new ballet by the choreographer-star titled "Le Combat." The small company, made up entirely of soloists who have distinguished themselves with other companies, includes Genevieve Godfrey, Violette Lautard, Alice Bess, Robert Pujol, and the leading male dancer, Gerard Ohn, Premiere Danseur-Etoile of the Ballet des Champs Elysees.

Also included in the company are two young concert pianists, Gilbert Mellinger and Zenon Fishbein.

Congregational to Mark 'Haystack Meeting' Nov. 14

An historic "meeting in a haystack" will be dramatized Nov. 14 at the Church Night Supper at the Congregational Church.

The meeting will mark the day in 1806 when five young men of Williams College, in Massachusetts, driven into a haystack by a rainstorm, held a prayer meeting which inspired four of them to carry the gospel to the "far corners of the world."

With that pledge, the American foreign missionary movement came into being. Out of it rose the American Board of Commissioners for Foreign Missions, for a time the inter-denominational agency for all Protestant missionary work.

Young people of the local Pilgrim Fellowship, high school youth group at the Congregational Church, will portray the Haystack Meeting and the incidents which followed. Under the title, "Fire in a Haystack," they will dramatize the dedication of these young men.

Included in the cast are Linda Reavis, Louise Carlson, Marjorie Thomas, Mary Dickey, Sharyn Rountree, Mick McCormack and Brad Quick, Fred O'Byrne, Wayne Thomas.

The dinner which will precede the program is a pot-luck to which the community is invited. It begins at 6:15, with the program at 7 and adjournment at 8.

Mrs. A. A. Wenrick Succumbs at 88

Mrs. Annie Alice Wenrick, formerly of Long Beach, died Oct. 31, 1956, in Sierra Madre. She was 88.

A native of Pekin, Ill., Mrs. Wenrick moved to Long Beach in 1919 and came to Sierra Madre about a year ago.

Survivors include a daughter, Mrs. Robert Dodge of Sierra Madre; a son, Howard P. Wenrick of San Mateo; two grandchildren, and a great grandchild.

Services were held last Friday in Long Beach and entombment was in Sunnyside Mausoleum. Ripple Mortuary was in charge of arrangements.

Electric cooking is fastest!

Now!

Hamburgers "deliciously done" in 2 1/2 minutes—when you cook electrically!

TODAY NOTHING COOKS FASTER than a modern electric range. From a cold start with a cold pan, hamburgers are ready to eat in 2 1/2 minutes. Hot soup takes 68 seconds. Bacon and eggs 3 1/2 minutes. Fry, bake, broil or roast—electricity does it better.

THERE'S MORE: your kitchen is cooler. And cleaner. Pots and pans keep that mirror-bright shine. Kitchen walls look fresh and new much longer.

AFTER WARRANTY on your range expires, Edison services it free—charges only for parts, if needed.

IF YOU'RE STILL COOKING the old way, you haven't seen the new electric ranges at your appliance dealer's. See them and see how easy modern cooking can be.

Final Preparations Made For Glamour Bazaar Here

Plans for the Cafeteria Supper and Glamour Bazaar to be given Nov. 17 by the Women's Division and the Moppettes of the Foothill Jewish Community Center were made at recent meeting of both groups.

The affair will begin at 6 p.m. and will feature typical foods of the community, requested by and prepared by members of the Women's Division. A contest for the favorite dish will be held. Both turkey plates and beef plates, as well as specialty foods of favored old recipes, will be served. Salads and desserts will be also sold. All foods will be available for take out service.

The Moppettes will feature hand painted, bejeweled and bedecked boxes and baubles, aprons, kitchen sets, children's gifts, as well as practical things for the home.

Door prizes will be awarded each hour. Chairmen of the affair will be Mrs. Ruben Friedman for the Moppettes, and Mrs. Irving Cohen, Mrs. Robert Sencer, and Mrs. Charles Lapson for the Women's Division.

Bethany Plans Men's Breakfast

Bethany Church Saturday will inaugurate a Men's Fellowship Breakfast, which will be conducted entirely by the men and will be followed by a church work session.

The Board of Trustees under the direction of Shelby Cowart has prepared a list of improvements and repairs for the church property at Baldwin and Montecito, and the men in attendance Saturday morning will donate some time for making these repairs. Bill Spargur has volunteered as chef for the breakfast, which will start at 7:30.

Congregational Rummage Sale Starts Tomorrow

The annual rummage sale sponsored by Congregational Church women will be held Friday and Saturday from 9 a.m. to 5 p.m. in Pritchard Hall at the church.

In addition, a cooked foods sale will be held Saturday. Co-chairmen are Mrs. Helen Haas and Mrs. Lucille Pickett. Proceeds supply the Women's Fellowship Budget, the bulk of which goes to mission fields.

'Merry Widow' Starts Run This Week-End in Valley

Dress rehearsals for "The Merry Widow," San Gabriel Valley's first full scale light opera in several years, move tonight onto the stage of the Monrovia-Duarte High School, where the production will start its two-night run Saturday at 8:30.

Director Henry Reese has been working with the principals and the ensemble in the Little Theater of the High School, while Choral Director Deane Tack has put his own Monrovia studio at the disposal of the choral group.

Choreographer Dorothée de Pont has been directing the dancing groups at her School of Ballet in Arcadia almost continuously for the past two months, and Orchestra Director Stewart Matter of Sierra Madre now is working with his original musicians as well as with additional members from the San Gabriel Valley Symphony Orchestra. Thirty pieces will be used in the pit, rather more than the usual complement in a light opera.

IN THE CASTING department, "Sonia" will be played by Miss Sally Manley of Arcadia, who is a graduate of the Eastman School of Music and has appeared in several minor roles in light opera. At present she is soloist at the Colony Presbyterian Church in South Pasadena. "Prince Danilo" will be tenor Joe Campagna of San Gabriel. Mr. Campagna attended the University of Oklahoma and the Wall Conservatory of Music, and has participated in three seasons at the Greek Theater where he appeared in "Girl Crazy," "Rio Rita," "Desert Song" and other light operas. He has also worked in summer stock in Connecticut, and on Broadway in "Of Thee I Sing." Mr. Campagna is at present a successful business executive.

TENOR DEANE TACK will play "Camille Joladon" and soprano Barbara Madden will be "Natalie" the "Baroness Popoff." "Baron Popoff" is handled by baritone Paul Stuart, while "Nisch" is played by baritone Rick Davis, supported by soprano Sue Gruettner as "Olga."

Other principals are Leo Bertolina as "Cascada," Duane Kuntz as "Novokovitch," Rose Lynn Yeager as "Malitta" and Jack Bertolina as "Khadija."

Tickets are now on sale at music stores and Chamber of Commerce offices in the Western San Gabriel Valley. The house is unreserved except by section. Tickets are \$1.50 and \$1. Additional information may be obtained at Elliott 8-2551, extension 16. The production is an activity of the Adult Evening School and is sponsored by the San Gabriel Valley Symphony Association.

19 Youths Taken Into Cub Pack 371

Cub Pack 371 will hold its committee meeting for the parents tonight at 8 o'clock at the home of Mr. and Mrs. B. Morant, 61 W. Bonita Ave.

At the pack meeting last month, the following boys were inducted into Pack 371: Bill Bromley, Charles Burpee, Mike Clark, Jimmy Furumasa, Jack Gadberr, Jimmy Halferty, Jimmy Howard, Michael Hutter, Riley Keith, Terry Mankin, Ted Mastin, Billy Milford, Michael Mitchell, Larry Nakano, Mike Tanerell, Scott Verreux, Michael Waite, Jack Weir and Robert Williamson.

Other awards and achievements earned at this pack meeting are: Doran Brett, Lion and Gold Arrows; Michael Whittingham, Bear; Donald Morant, Wolf and Gold and Silver Badges; Barney Barnes and Andy Hensel, one-year pins. Denner Stripes were given to Jimmy Howard, Jack Gadberr and Ronald Lindsay. Assistant Denner Stripes were given to Mike Clark, Mike Waite and Michael Whittingham.

Wallace De Buhr, who has been training the boys for their Webelos Badges, presented Webelos Badges to Howard Schaefer and Robert Wortham. George Black, Scoutmaster for Troop 373, presented the neckerchief to both boys, who are joining Troop 373.

STICKERS IN 1957

California vehicle registration will be renewed for next year by attachment of a reflectorized red sticker, marked for 1957, to the rear license plate, the Department of Motor Vehicles announced this week. Pre-punched cards setting forth fees will be mailed to all registered owners of vehicles immediately after Christmas.

Sierra Madre Leads 'Messiah'

Stewart Matter of Sierra Madre has been invited by the San Gabriel Valley Symphony Association to direct its annual performance of Handel's "Messiah" in Monrovia-Duarte High School Auditorium. The performance will take place Dec. 2 at 4 p.m.

Mr. Matter this week invited singers from the Valley area to join in the performance. Rehearsals will be held Nov. 13, 20 and 27 at the high school. Interested persons can contact Mr. Matter at ELgin 5-9821.

FIRE FLAMES

By James Heasley

Joe Grippi has been giving blood to the blood bank so long that it is a habit. The amount would run into gallons, but one of the times he appeared, a new nurse asked him a few questions. "Do you know your type?" she asked. "Oh, yes," answered Joe, "I'm the sultry type."

WE LOATHE THE IDEA as much as any of you and it is with great timidity that you are hereby informed that the firemen will be calling at your door soon to remind you of the time of the year. Nearing the Christmas holidays, the firemen must prepare for the annual activities.

For many years it has been the custom to call at the homes to raise funds to provide Christmas baskets for the needy and build the fund so that we can continue the Easter and Christmas parties for the kiddies at the local park. This may not mean much to the average resident until he or she is told that this particular function of the department is a great aid in keeping the men together and providing for the city a good group of fire fighters at a very low cost.

Figure it out. Through these many years we have not increased the "donation" of the tickets we offer. These tickets admit a couple to a shindig held at the local Woman's Clubhouse, so we assure the user value received.

On the other hand, we now have to supply an expensive orchestra and a substantial rental for the use of the clubhouse. In the "Old Days" we were able to obtain the free service of the Pasadena Fire Department Band and have the clubhouse for free, because the members realized that the firemen were conducting a civic affair of interest to all. However, if you are disgruntled about the whole thing just refuse to patronize the fireman who calls at your door, and he will tell us all about it. Maybe we can determine as to whether we want to continue the Christmas and Easter parties and whether we want to continue to volunteer as firemen.

ASSISTANT CHIEF Charlie Brown was sore. A member who is noted for coming in late for roll call was living up to his name (and I know it). "You should have been here at 7:30," the Chief barked.

"Why," replied the tardy one, "What happened?"

THE COMPETITIVE drills being conducted are about over with. The score is very close and after the next drill the losing team will furnish everything for a grand old stag party. This is being looked forward to by even the losers.

Skutt to Speak At PTA Meeting

The Sierra Madre Parent-Teachers Association will meet on Nov. 14 at 8 p.m. at the Sierra Madre School Auditorium. Mothers of first-grade children from both Sierra Madre and Sierra Mesa Schools will be hosts.

Charles A. Skutt, superintendent of schools, will be guest speaker. His topic will be "Visiting European Children, Their Homes, and Schools." He will show color slides taken on his trip to Spain, Denmark, Italy, England, France and Germany.

Santa's Corner
By Marge Thomas
One of the fun things about this time of the year is stopping in the stores and seeing all the pretty things they have for Christmas. Not too many stores have their holiday decorations up yet, but the merchandise has already started to arrive and is on display.
When I was in ROBERT W. Lane, Jewelers, I had a very hard time leaving the case with Ronson and Colibri table lighters on display. They are so unusual and attractive. I was also pleased to find that the Ronsons started at \$9.95 and the Colibris at \$15. They'd make marvelous gifts for that hard to buy for person or members of your family.
CARLAND'S have some of the cutest corduroy pedal pushers and Capri pants in the gayest colors you have ever seen for the "young fry." They're practical because they are washable and start at \$1.69. Some of the styles even have an ornamental treatment on the side seams.
Those of you who really want to "fill the stocking full" should drop in at CARL HANSEN'S and see those new Fords. I know all of us can't have a new car from Santa, but for those of you who are thinking about a new car, when would be a better time to make the purchase than at this particular time of year?
ROESS MARKET has just gotten in the Del Monte Variety Assortment. It is made up of 12 jars of fruit attractively boxed and ready to be mailed. This useful as well as pretty gift is only \$3.49.
HARTMAN PHARMACY has been receiving delivery on their costume jewelry and it is lovely. There is a nice assortment of earrings, pins, necklaces and bracelets—with prices starting at \$1.
HAPPY'S LIQUORS have gotten in their spirits all done out in their holiday decanters. They're all very pretty but the one that caught my eye especially is the vodka. Once it is empty, it would be ideal to decorate and use for various things the year 'round.
The young gals will love the line of Betty Betz diaries, waste baskets and desk sets, record albums, scrap books, autograph books and photo albums available at FERRY'S STATIONERY AND GIFT SHOP. These very cute things start at \$1.25.
Even if you don't have children or even have to buy for them, you are missing a real treat if you don't stop in at the TOY & PATIO VILLAGE and see the adorable selection of dolls and all the things that go with them. Manufacturers have certainly made it possible for the "age of motherhood" to start early since there is everything for the "little lady" to take care of her "children" with.
There are always men on our lists who are pipe smokers and Christmas is such a good time to give them a new "start" on a pipe. I was surprised to find such a nice selection of Frank Medico, Kaywoodie and Yello-Bowl pipes at ROYAL DRUGS. Some of these pipes start at \$1.50. There also are genuine leather Amity and Aristocrate wallets starting at \$1.50.
You fruit cake lovers must ask to see Tom Clark's fruit cakes the next time you are in ROBERTS MARKET. As you know, they are a fine brand and, besides, they are attractively packaged in a gold box and would make a fine gift, providing the family doesn't eat it first.

SHUGERT'S HOUSE OF TOYS has a wonderful selection and variety of mobile toys for children of all ages. It used to be that about the only thing available for the young ones to get around on was a plain old tricycle or a wagon. Now, there are all sorts of things done out to look like most anything you might imagine would have motion. When you're in Arcadia, stop in and see for yourself.

Well, at long last the election is over and the people's choice for candidates and issues at hand has been made. It is obvious that not everyone is satisfied as to the results of the voting, but it is up to us as good American citizens to support the people that the majority has put in office and bury our axes for another four years.

No candidate can do a good job unless he knows what the voters want and the only way for him to know is for you to write letters and tell him. In that way our representatives in the government can get an over-all picture instead of listening to a select few. Our job is not over just because the polls are closed.

AND, SPEAKING of elections, Mr. and Mrs. P. L. Wetcher of 1805 Kinneloa Mesa Road entertained last Tuesday at a late supper election party. Among the guests were Messrs. and Mesdames Guy Knudson, Don Wintner, William Nash, Harry Newman, Max Littlejohn, John Griffin, Richard Simson, Edward Gilling and Dr. and Mrs. Rand Lewis.

SPELTZ PARKER of 1701 Country Lane returned last week from a hunting jaunt up by June Lake. He was very successful and brought back 11 ducks for the family larder.

MR. AND MRS. R. L. FOX of 1150 Mesa Road spent a recent weekend in Las Vegas. They had a wonderful time taking in the shows and watching other people gamble.

DR. AND MRS. JACK Paschall of 1324 Sierra Madre Villa had a small gathering election night. Among the guests were Dr. and Mrs. Robert Mueller and Mr. and Mrs. Jim Spears.

CATHY CRAWFORD, daughter of Mr. and Mrs. C. Tom Crawford of 1360 Sierra Madre Villa, celebrated her fourth birthday Nov. 2 with a dinner party. She asked her mother for blue chicken pies and a purple cake. The cake she got, but the blue chicken had to be bypassed. Among the guests were Roddie and Ruthie Zebb, Tootie Paschall, Andy, Steve and Larry Phelps, Christine Galbraith, Allen and Bobby Armstrong and her sister, Candy Crawford.

MR. AND MRS. HARRY A. Pulaski of 3115 Doyle Road returned last week from a four-day trip up to San Francisco. They saw the USC Stanford football game while they were there. They stayed with Mrs. Pulaski's sister in Burlingame.

JEAN BICKLE, daughter of Mrs. Sallie Love Bickle of 3207 Edgely Lane, has been honored by being invited to join the Panicle Club, which is a Sophomore Women's Honorary Scholastic Organization at the University of California at Berkeley.

MR. AND MRS. PHILLIPS Finlay of 1250 Hartwood Point Drive returned last week from a five-month stay at their ranch in Idaho. As I understand it, it is the Targhee Ranch with the post office at Mack's Inn. Does that locate it? Their daughter, Fredricka, who is attending Stanford, returned last Friday evening to attend the UCLA Stanford game.

MR. AND MRS. GEORGE Holmes of 1550 Old House Road entertained election night with a dinner party. Among the guests were Mr. and Mrs. Norman White, Mr. and Mrs. G. M. McRoberts, Mr. and Mrs. David E. Hoyt and Mr. and Mrs. William Blair.

FORUM SPEAKER

John Morley, international correspondent and author, will address the Community Forum this evening at 7:45 o'clock in the Monrovia-Duarte High School auditorium. His subject will be world affairs.

Trinity Church Plans
Exhibit of 500 Dolls

Half a hundred dolls from the 1830s up to the 1920s will be exhibited at the Trinity Presbyterian Church Bazaar Nov. 17 from 11 a.m. until 8 p.m.

The dolls are from the collection of Mrs. Jeanne Cumiskey, 1039 Cynthia, founder of the local "Doll Sorority" organized for antique doll collectors in the foothill area.

One-third of the group on display will be dolls which have won awards and ribbons at State and County Fairs and have been exhibited in museums.

Beatrice Paquet

The earliest dolls will be those made of wax from about 1835. Many quaint and strange looking papier-mache headed dolls from the 1940s up to the Civil War will delight many.

A number of lovely china headed dolls from the 1840s and 1890s will recall memories of Great Aunt Minnie's dolls. Also shown will be the beautiful parian and bisque headed dolls from the 1870s on up through the "Gay 90s" Gibson Girl and Floradora Days—boy dolls, lady dolls and baby dolls.

The old wooden doll and musical court jester doll will delight the children as the early fashion dolls will arouse the ladies' interest. The collection is represented by dolls from England, Germany, France, Holland and New Brunswick.

The doll pictured, "Beatrice Paquet," is a Jumeau French bisque head with a swivel neck and a lovely, shapely fully jointed wood (ball joint) and composition body. Her type was the first girl doll made with pierced ears, a high fashion in 1880. These dolls are noted for their beautiful glass eyes.

Talent Sale
To Benefit
Young People

Christmas shopping will be made easier for the friends and guests of the Pasadena Kappa Alpha Theta Juniors who will attend the annual Talent Sale to be held the evening of Nov. 14 at 8 o'clock.

Mrs. Kinzie Miller, 195 Grand, Pasadena, will open her home for the event which raises funds for the Boys and Girls Aid Society of Altadena.

Past projects undertaken by the Theta Juniors include the painting and redecorating of the children's rooms, improving the study hall and living room and recently retiling the floors.

Mrs. K. C. Larson is general chairman for the Talent Sale which features articles made and donated by members. Mrs. Gerald Dutra and Mrs. Richard Calkins, auctioneers, will present to the highest bidder a list of items including argyle socks, Christmas ideas and decorations, hand-painted glasses, stuffed animals, babies and children's clothes, toys and baked goods.

Mrs. Winston Teague has been in charge of a series of workshops the past weeks at which times the girls have gathered and worked on attractive and original articles to be sold that evening.

A feature of the Talent Sale is a drawing for a beautiful doll complete with a hand-made wardrobe. Chairmen are Mesdames William Hall, James Luscomb, William Gosline and John O'Brady.

Mrs. William Brackman, president, extends an invitation to anyone in the area to attend.

Two Couples
Host 'Ghost'
Ranch Party

Mr. and Mrs. E. F. Brown and Mrs. David Zinsmeyer were co-hosts at a "come as you were" Halloween party Friday night at the Zinsmeyer home on Landfair Rd.

Twenty-two guests entered the party through a "ghost-walk" and "house of horrors" with the Browns' teenage daughters serving as the ghosts. Eerie lights played upon "Old Joe" hanging from a tree on the front lawn.

Guests enjoyed dancing and a buffet supper served at 1 a.m.

WEAVING FLOWERS into miniature tennis rackets for the coming fashion show and luncheon of the Pasadena Junior Alumnae of Alpha Chi Omega are, from left, Mrs. Robert H. Stewart, Mrs. J. Robert Winegardner and Mrs. William A. Caldecott. The affair will be held Nov. 14 at 12:30 in the Huntington-Sheraton Hotel, and proceeds will go to the United Cerebral Palsy Development Center at Baldwin Park and the Girls' Club of Pasadena. The group will meet this evening in the home of Mrs. Emil de Graeve to discuss final plans. Co-hostesses will be Mrs. Elwood Laine, Mrs. Bonnie Anderson and Mrs. M. W. Beifuss. Mrs. Joe Phillipson, 1485 Old House Road, will be hostess to members of the Eugene Field PTA executive board and all room mothers at the November board meeting at 10 a.m. Wednesday.

The board and room mothers will learn at this "coffee social" first results of the PTA's Nov. 3 carnival. Child care for pre-schoolers of mothers attending the meeting will be held at the home of Mrs. Joseph Phelps, 1430 Old House Road.

ZOOLOGISTS TO MEET

The Junior Zoological Society of Los Angeles will meet Saturday at 9:45 a.m. at Griffith Park Zoo.

Alpha Phis
Take Part
In Doll Fair

Pasadena Alpha Phis joined other alumnae groups in Southern California for the inaugural appearance of the sorority at the 36th annual Doll Fair held last Saturday at Marlborough School in Los Angeles.

Alpha Phis' entry among the ranks of guild and auxiliary sponsored booths at the affair was "The Lady of a Thousand Pockets" whose wide skirts were patched with pockets of gingham, dimity and silk.

In each of the pockets was found a surprise package to appeal to young and old. Pasadena area alumnae prepared the trinkets under the direction of Mrs. Robert L. Farmer, chairman, and her assistants, Mrs. Stewart L. Bowie and Mrs. Hilton A. Green.

All proceeds from the Doll Fair will be used for the maintenance of the Convalescent Home of the Children's Hospital.

The project is of particular interest to Alpha Phi, whose national philanthropy is cardiac aid, since the majority of the patients cared for at the home are youthful victims of rheumatic heart disease.

PTA TO MEET

Pasadena City College PTA will feature a panel discussion by PCC counselors at 8 p.m. tonight at the organization's first meeting of the year in Harbeson Hall.

Kenzie Miller, 195 S. Grand. Looking over a number of the gifts to be sold are, from left, Mrs. Edward Vail, Mrs. W. J. Gosline, Mrs. Richard Taylor, Mrs. Bill Brackman and Mrs. K. Chris Larsen.

Have you seen our new auditorium? When I saw it I was flabbergasted. You walk into this enormous lobby. Then you go into the main part of the auditorium and it's just absolutely beautiful. The seats are of light wood. The stage is enormous; on one side there is a yellow "W" and on the other a blue "W." The first curtain is blue, the next one back is yellow. The ones after that are gray.

Back stage is wonderful, too. The wings are good size. There are dressing rooms, lockers and make-up rooms, all of which will be very handy.

The room that the band and orchestra seem to like the most is the band room with sound-proof booths. These booths are nice for individual practice.

It is impossible to tell everything about the new and because it's so big and wonderful that you have to see it yourself.

THE 9TH GRADE has been very active lately. Mr. Warren's core class decided to take a poll on the election as a project. Some of the questions were: Do you think the voting age should be lowered? Are you voting for the same candidate as you did in '52? Are you acquainted with the different propositions? Each person in the class did this. Ditty Dittberner's and Prissy Watson's pictures, along with the results of the poll, appeared in the Independent-Star-News.

Mrs. Sandberg's core class arranged a display in the main hall. There was a big picture of both Ike and Adlai. The platforms and a slogan for both were with the pictures.

All the students voted in class on Nov. 6 for the candidates they were for. Did you?

Dry Ski School
Opens Nov. 14

Snow bunnies are invited to the second session of the Dry Land Ski School operated by the Pasadena Department of Recreation at Jefferson Recreation Center starting Nov. 14 from 8 to 10 p.m.

There will be five consecutive Wednesday evening classes. Fee is \$2 for the five lessons and registration in advance is necessary at Recreation Headquarters, 1501 E. Villa St., Pasadena.

Class instructor will be Gene "Pete" Peterson, local physical education teacher and member of the Far West Ski Instructors Association.

All graduates of the Ski School will be invited to the local mountains for instruction in the snow, weather permitting.

Melones
Bid Farewell
At Party

Mr. and Mrs. Brooks Thomas, 1210 Tropical, were hosts last Saturday night at a cocktail party honoring Mr. and Mrs. Bernard Melone, 1110 Tropical, who are moving, with their children, Gene, Kathy and Ricky, to their new home in Hollywood.

Among those in attendance to bid the Melones farewell were Mr. and Mrs. Henry Asher, Mr. and Mrs. James A. Gittinger, Mr. and Mrs. Alpheus L. Pruitt, Mr. and Mrs. Robert M. Fainer, Mr. and Mrs. Dale R. Sandro and Mr. and Mrs. Gordon K. Wright.

Also, Mr. and Mrs. Howard E. Baker, Mr. and Mrs. Donald O. Clark, Mr. and Mrs. Peter Tabahak, Mr. and Mrs. Hugo M. Burgwald Jr., Mr. and Mrs. Robert L. Ordlin, Mr. and Mrs. William K. Shiner, Mr. and Mrs. Gordon S. Templar and Mr. and Mrs. George A. Schlueter.

Also, Mr. and Mrs. Clifford R. Voges, Mr. and Mrs. Allen H. Pulsifer, Mr. and Mrs. Charles F. Ryan, Mr. and Mrs. Peter G. Lubisch, Mr. and Mrs. Robert L. Hunt, Mr. and Mrs. William F. Spalding, Mr. and Mrs. Edward R. Halperin, Mr. and Mrs. Robert W. Reed Jr. and Mr. and Mrs. William H. Dixon.

Ranch Resident
Retires After
43-Year Career

L. E. Peterson of 3805 Mayfair Drive last week closed out his 43-year career with the Southern Pacific Co.

Mr. Peterson, who began his civil engineering career with Southern Pacific in 1913, retired Oct. 31 as division engineer at Los Angeles. A native of Utah, Mr. Peterson attended the University of Utah and the University of Wisconsin Graduate School. He became a surveyor's rodmans in SP's Western Division in 1913, and subsequently was promoted to assistant division engineer of the Salt Lake Division in 1927, division engineer of the San Joaquin Division in 1938 and division engineer at Los Angeles in 1941.

Mr. Peterson's core class arranged a display in the main hall. There was a big picture of both Ike and Adlai. The platforms and a slogan for both were with the pictures.

All the students voted in class on Nov. 6 for the candidates they were for. Did you?

Good Response Noted
To Zoning Petition

By Lucie Lubisch

"Gratifying response" from homeowners in many sections of Pasadena to the Hastings Ranch zoning initiative petitions now being circulated was reported this week from volunteer workers.

Although the initiative specifically asks for establishment of a multiple dwelling buffer zone between Hastings Ranch homes and commercial land on Foothill Blvd., the ordinance, in effect, would give Pasadena voters the opportunity to express themselves on just how much arbitrary power the city directors have to downgrade residential property, workers say.

Draper Jennings, chairman of the large organization of volunteers, said it is "becoming increasingly obvious there will be no problems whatsoever in obtaining the necessary signatures to place this initiative on the ballot at the next Pasadena election."

SINCE 10 PER CENT of the number of those registered who voted in the general election Tuesday are required to have the initiative placed on the ballot, some 6,500 signatures probably will be required.

Petitions contain space for 48 names with one petition only to be carried by a worker. As petitions are filled they must be notarized.

The property in question is a portion of that under lease by Sears, Roebuck and Co., but the Initiative Committee holds that there would be sufficient acreage if Sears still desired to build at the corner of Foothill and Hastings Ranch.

Residents, who maintain they were assured a small neighborhood shopping center would be built on the land, have fought the granting of zone variances for Sears on the Michillinda end of the property, declaring that the city directors were illegally making a zone change.

THEY ARGUED that this neighborhood was not the proper one for the big chain because of increased traffic congestion, which already is severe much of the year, and because the store would bring a decrease in property values.

Cub Pack 379 Has New
Bobcats, Committeemen

Six new boys were admitted recently into Eugene Field Cub Scout Pack 379, four as Bobcats and two as transfers.

The Bobcats are Michael Mongeon, Wayne Tierney, Darrell Cozen and Ronald Martin. Transfers are Robert Barth and Michael Georgiades.

Five new committeemen also were introduced at the pack meeting—Dan Marshall, Ed Bradbury, Donald Cozen, John Tierney and Ben Barth. Ove Jensen was named as assistant cubmaster.

Bear awards included: Dennis Johnson, two silver arrows; Timmy Marshall and Stanley Smith, gold arrows; Gary Gero, Bear badge, and Mike Swenson, Dennis Ryan and Chad Hunter, silver arrows.

Lion awards: Dick Cook, silver arrow; Mike Farrell and Gary Gero, Lion badges.

Richard Perryman was awarded a one-year pin, and these were presented two-year pins: Dennis Johnson, Bryan Beckwith, George Harver, Dick Cook, Mike Farrell and Peter Jensen.

A special award, the Fellowship Arc, was presented to Ricky Johnson.

Seven leaders of the pack attended the district Pow-Wow in Los Angeles recently. They were Mr. and Mrs. Phil Farrell, Joe Dupuy, Ove Jensen, Gordon Bosworth, Mrs. Virginia Olwin and Mrs. Ethel Johnson.

Electrodata Erects
Second Building

Completion of the second 40,000 square foot section of its plant in Hastings Ranch has been announced by the Electrodata Division of Burroughs Corporation.

Cost of the two-story structure, which will provide expanded facilities for engineering, manufacturing and marketing personnel, is set at approximately \$500,000.

Many Ranch homes have been placed on the market since the possibility of Sears being built in the neighborhood became known.

A petition from a number of Hastings residents asking the directors to establish a buffer zone was shelved by directors, who failed even to reply to petitioners, residents say.

According to Mr. Jennings, Pasadena's title as the "City of Homes" is rapidly being lost through the "recent series of high-politic decisions by the directors giving up important parcels of residentially zoned land for commercial purposes."

UNDER THE PASADENA zoning code, a zone variance may be granted by city directors, allowing slight changes of restrictions within a zone. A zone change calls for an amendment to the Pasadena Zoning Ordinance and must be placed before the people for a vote if they so desire.

In allowing Sears to build a service station and a portion of its main store in the residential property at the Michillinda end of the parcel in question, directors said they were granting a "variance." Residents and their attorneys maintain it was a zone change, because it downgraded the property from residential to commercial.

Mr. Jennings said Pasadena's "wishy-washy zoning regulations are being viewed with astonishment throughout the nation," and that this initiative, if approved by the voters, will serve to show city directors they must "protect the property of the people they represent."

Secretary-treasurer of the Initiative Committee is Mrs. Nan White. Information may be obtained from her at ELgin 5-1921 or Mr. Jennings at ELgin 5-1808.

Junior League
Plans Concert
For Youngsters

The Junior League of Pasadena, in cooperation with the Pasadena Symphony Association, PTA, Pasadena City Schools and the Pasadena Board of City Directors, is completing plans for a Youth Concert Nov. 18.

All children from the third to the eighth grades in public, private and parochial schools in the San Gabriel Valley are invited to attend the free concert at the Pasadena Civic Auditorium at 3 p.m.

The Pasadena Civic Orchestra, under the direction of Dr. Richard Lert, will present a varied selection of symphonic music with some audience participation by the children.

Mrs. John Shirley Ward Jr. is chairman of the Music Committee of the Junior League, with Mrs. David Williamson assisting her. Serving on the committee are Mesdames Charles Ames, Robert Banning, Charles Campbell, William Dougherty, Rossiter Mikel, Lathrop Hoffman, James Lewis, William Still, Henry Tenaglia, John Osgood, William Holbrook, Paul Penberthy Jr., Emerson Lamber, John McCarty and Douglas Longyear.

49ER ENCAMPMENT About 10,000 persons are expected at the eighth annual encampment of the Death Valley 49ers, which starts a four-day meeting at Furnace Creek and Stovepipe Wells tomorrow.

Don Benito PTA Meeting

Dr. A. Roland Walker, assistant superintendent for instruction of the Pasadena City Schools, will be the featured speaker at the next meeting of the Don Benito PTA, to be held Nov. 14 at 8 p.m. in the school auditorium.

Dr. Walker will speak on "Reporting to Parents," covering such points as the methods we have in Pasadena, why we have them, and how to interpret report cards.

Since this is a topic that has always brought forth differing points of view, a lively participation in the question period following Dr. Walker's talk is anticipated.

Hostesses for the meeting will be the room mothers of Mrs. Hickman's kindergarten and Mrs. Journeig's fourth grade class.

Alpha Omicron Pi In Pasadena Helps Local Girls' Club

Pasadena alumnae of Alpha Omicron Pi will meet this evening in the San Marino home of Mrs. Phillip G. Smith, 1280 Garfield, for a dessert meeting at 7:30 o'clock.

Mrs. Walter E. Petry, program chairman, will introduce Mrs. Phelps, who will provide the timely program entitled "Decorating for the Holidays."

Mrs. Kenneth M. Crawford, chairman of the evening's hostesses, will be assisted by Mrs. Petry and Mrs. William G. Howe.

The group sponsored a rummage sale last Monday and Tuesday with the proceeds being given to philanthropies on both the local and national level.

The Alpha Omicron Pi national project, to which all chapters contribute, supports the social service department of the Frontier Nursing Service in Kentucky.

This year, the Girls' Club of East Pasadena was chosen as the local recipient.

The Girls' Club serves over 1,000 girls from 6 to 16. At the clubhouse, the girls practice and study homemaking, cooking, various crafts and enjoy games. There is a national membership fee but many contributions are needed to carry out the fine program.

All Alpha Omicron PIs in the area are invited to make reservations at this time for the Founder's Day Luncheon scheduled for Dec. 2 at the Beverly Hills Hotel. Reservations may be made by calling Mrs. Smith at SYcamore 9-4593.

New Webelos From Pack 383

At the last meeting of Pack 383, seven Cub Scouts were accepted into the Webelos Den.

Cubmaster Ralph Gann explained that the Webelos Den has as its main purpose the helping of Cub Scouts to prepare themselves for their entrance into Boy Scouting—it is an important "transition period" for 10-to-12-year-old boys.

The word WE-BE-LO-S has a special meaning, "We'll Be Loyal Scouts."

Don Schneider has accepted the responsibility of training the Webelos Den of Pack 383, a specialized duty in which he will be assisted by many of the fathers of the Webelos.

David Whitney, Ronny Schneider, Ralph Gann, Bob Freinkel, Lee Holcomb, Chris Carroll and Joel Rudnick are the new members of the pack's Webelos.
